

25 CHRISTMAS RIDDLES

1. What Am I?

In winter I keep you nice and warm,
in spring you take me for a ride.
You don't want to know about me in the summer,
in autumn you will have to dress me.
What am I?

2. Logic Riddle From the Elves

There is an Advent wreath in front of Father Christmas, but the candles are still missing. A clever little elf goes to the cellar to get 4 candles of the same colour. He knows that there are 10 red and 10 white candles on the chest. Oh dear, it's pitch black there and the light doesn't come on. So he can't see the colours at all. How many candles does the elf have to take upstairs to make sure he has 4 of the same colour for the Advent wreath?

3. What Am I?

What greens in summer and winter,
Does it please grandpa, grandpa, father, mother and the children at Christmas time?

4. Attention, Read Carefully!

Who has more legs? One reindeer, two snow bunnies, three spiders, four Christmas geese and five carps or 24 Santas?

5. What Am I?

Wears a white skirt,
is happy that it can fly.
Catch it with your hands,
it will soon be melted.
What is it?

6. Christmas Tree Decorating

Matti and Luise decorate the Christmas tree together. Luise is over a hand's width taller than Matti. To decorate the upper branches and the top, one of them has to stand on the other's shoulders to reach as far up as possible. Who has to stand on whose shoulders to reach as far up as possible?

7. What Am I?

What hangs on the gutter and cries,
when the sun shines from the sky.

8. Math Riddle

The three elves Elfo, Elfa and Elfine set out to climb Christmas Mountain. It is 800 metres high in total. Every day they manage 80 metres in altitude. At night, however, they roll back down the sloping mountain 40 metres. After how many days have the three elves reached the top of the Christmas mountain?

9. What Am I?

The Christmas tree was decorated today
and everyone is totally delighted.
But something is still missing at the top.
Can you tell me: What do you have to get?

25 CHRISTMAS RIDDLES

10. Logic Christmas Riddle

There is a bowl of 12 biscuits on the Christmas table. So that you don't get a tummy ache, you must always wait at least 8 minutes before eating the next biscuit. How long will it take you to eat all the biscuits at the earliest?

11. Word Snake
